

Credit Union National Association

Dear Credit Union Member,

During our regulary schedule account maintenance and verification we have detected a slight error in your billing information on file with CUNA. This might be due to either following reasons:

- A recent change in your personal information (i.e. change of address)
- Submitting invalid information during the initial sign up process.
- An inability to accurately verify your selected option of payment due an internal error within our processors.

Your credit card on file with CUNA:

Card number: XXXX-XXXX-XXXX-XXXX (Not shown for security purposes)

Expiration date: XX/XX

Please update your billing information here:

<http://update.cuna.org/cgi-bin/BillingUpdate.htm>

If your account information is not updated, your credit/debit card access will become restricted.

Thank you.
